A Message from your Alumni Director

We are currently trying to move from a paper Hare to an electronic one. We have decided that the most efficient way will be to use the mailing list that is used for the Alumni Forums. Therefore I am asking that you sign up for the forums. If you have any questions or issues please contact Jack Mayo at jackmayo@gmail.com

Thank you very much and YITBOS

Letter from Activities

Brothers,

As you know this is the time of year when Basketball Marathon begins to be planned. We will be having it again this year to redeem ourselves from last year. I do not have a set date on when it will be yet, but it looks like possibly late March or early April. This year I hope to raise more money for the March of Dimes than last year. Also we have been considering doing a second event to raise money for an organization such as the Red Cross. This idea is still being decided on but it would most likely be a spring time event such as disc golf or an ultimate tournament. However we are not for sure on this yet so if you have a suggestion of something we could do send me an e-mail at schultr1@rose-hulman.edu. Also if you would like to sponsor anything for either event let me know, we could use more sponsors to offer better prizes to winners.

Thank you,
YITBOS,
Ryan Schulten
